

Activity - Safety - A Shared Responsibility

You need:

A shape of fabric corresponding to the above

A group card (e.g. BOT/Principal)

A large number of blank slips of paper

Marker pens

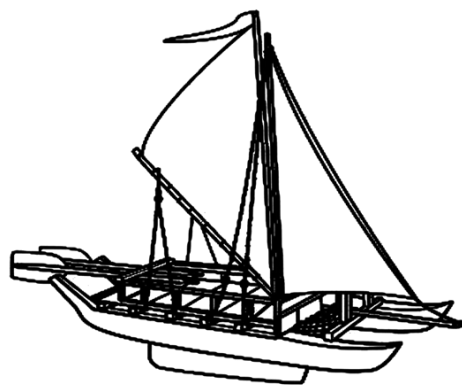

Organisation

Divide the group into 8 smaller groups, give each group one of the following written on a card:

1. Person in charge flag
2. EOTC coordinator
3. Activity leaders
4. Board of trustees and principal
5. Students
6. Assistants
7. National bodies
8. Government

Task

1. Each group brainstorm the responsibilities for Safe Outside the classroom Learning Experiences for the group they have been given. (if you have only 6 people combine 1&2 and 7&8)
2. Write each idea on a **separate** slip of paper. (Choose a specific EOTC activity if you like, eg sailing.)
3. Ask each group in turn to lay on the floor their piece of fabric, their card and their slips of paper verbalising the responsibility written on them until a sailboat is formed.
4. Discuss the shared relationship analogy. What could the mast represent? Will the boat still sail if the spinnaker is down? Why are students in the mainsail?
5. What are the key messages?
6. **Refer to Chapter 2 pages 16-17 (analogy) and 18-27 (responsibilities) Bringing the Curriculum Alive (2016) and the extension to the waka.**
